

KINDERGYM

PARTY

Thank you for celebrating your child's birthday with us!

What to expect on the day of your party:

You may arrive 10 minutes before your party time to set up the "party room" (cake and refreshments served in a separate room following Kindergym playtime as **NO food/drink is allowed in the Kindergym**), tables and chairs will already be set up for you. You will need to supply the cake, paper products, utensils, candles and matches as well as any decorations. Guests should arrive at the Kindergym at the start of the party. There will be 50-55 minutes of **free-play** in the Kindergym with the last 5-10 minutes used for an instructor-led closing circle, 5 minutes for transition back to the food room, and 30 minutes for cake in the party room.

*****Gratuities for the instructors are most welcome*****

Additional Party Information:

For the most successful party, please ensure that there is a **minimum** of one (1) parent for every two (2) children. One to one is optimal but no fewer than 1 to 2 is permitted.

All guests must sign a Release, Waiver and Assumption of Risk Form to be given to the Kindergym instructor running the party. There will be extra waivers onsite but please email these with your invite to guests. The form must be signed by the parents of the children who are participating.

Before entering the activity area, all children will need to remove their shoes and socks. Adults will only need to remove shoes. As a safety precaution, girls should not wear tights when using the equipment.

Each child attending should be walking and no older than 5 years. **The maximum number of children playing at the party is 15.** Infants are okay if they are kept in a front or back pack.

The Kindergym instructor will help facilitate the party. Parents are encouraged to participate with the children during the party and supervise their safety.

Two hour parties are available if you choose to serve more food. 1 ½ hr. parties are sufficient for playtime and cake. Play time in the Kindergym is the same for either party.

If you have any questions, call the Lafayette Community Center office at 925/284-2232
