Project Update

2025 Paving Project- No. 014-9742

Date: 10/17/2025

We are excited that the work on the City's 2025 Road Paving Project has reached an end. During the past week, our Contractor, Rapid Grading Services, finished working on miscellaneous punch list items on St Mary's Road and Mt Diablo Blvd.

No further road closures are anticipated.

No further updates will be posted. Thank you all for your patience with this project.
