Ms. Robbins:

Good afternoon and hope you are well.

I was reading in the local paper that Lafayette had a vacancy on the Contra Costa Mosquito & Vector Control Board. I would be interested in applying to fill the vacancy.

Before moving to Lafayette over a year ago, I spent over ten years involved in Santa Clara County government and community activities. I served on the Santa Clara County Human Trafficking Commission, the San Jose-Diridon Station General Plan Commission, the County Workforce Development Board, and for two and a half years (2019-2021) as Chief of Staff to County Supervisor Susan Ellenberg, where I handled her policy portfolio in Land Use, Transportation, Environment and Housing, which included vector control.

In Lafayette, I reside in the Reliez Valley, and the issue is important to the community there.

Thank you for the consideration, and I look forward to becoming more involved with the community here in Lafayette.

Sincerely,
Derrick Seaver
